

## Professional 90cm 6 Brass Burner Electric Oven

### DESCRIPTION

#### Professional Series

Italian cooking in the heart of your home with Bertazzoni signature style

The contemporary nature of the Professional Series is highlighted by the signature knobs, the ergonomic handle and the vibrant colors. These distinctive elements blend design and ergonomics in a signature style that has won multiple design awards since its debut. Engineered for performance and beautifully styled, all freestanding appliances integrate seamlessly with the kitchen cabinetry and countertops. Bertazzoni Professional Series ranges bring the authentic experience of Italian cooking and the delight of real style to the heart of your home.

The oven is fully welded internally for durability with an impressively fast pre-heat time of 6 & 1/2 minutes to 180 degrees celsius.
